

MiniCAT[®]

Just-right CT

BREAKEVEN

~20 Scans per month

COMPLIANCE

Increase in patient compliance due to in-office CT = 50%+ ²

REIMBURSEMENT

National Average ¹
Medicare Reimbursement for Sinus CT
70486 Global = \$145

SMALL FOOTPRINT

Minimum 6 x 9' room (1.8 x 2.8 m)
Unique spaces can work in small office settings.

MiniCAT[™]

HOSPITAL-OWNED CLINICS

MINICAT BENEFITS EVERY
ENT AND ALLERGY CLINIC,
*but hospital-owned clinics
have unique needs*

WHY PUT CT DIRECTLY IN THE CLINIC LOCATION?

INCREASED RADIOLOGY
throughput for
higher reimbursed
procedures

BEST IMAGE QUALITY
with lowest allowable
dose for sinus and
temporal bone

QUALITY CONTROL
over CT images to ensure
surgical navigation
compatibility & timeliness
for procedures

INCREASED PROCEDURE REVENUE
due to improved patient compliance
with treatment plan

3 APPOINTMENTS TO 1
[initial + radiology + follow-up]²
reduced to one, means faster diagnosis
and symptom relief

¹averages are based on 2022 reports from cms.gov
